Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Building wealth is not magic. There's a lot more common sense, inspired action and logic involved in building wealth than most "gurus" claim. It's a lot more about systems and a lot less about ostensible "secrets." There are plenty of good simple genuine moneymaking opportunities accessible if you search for them, but make sure to investigate each one thoroughly first. Find out how successful and reputable the people offering it are. Many people are looking to bring in more revenue, boost their wealth, become debt-free, and financially free. A lot question why a few are blessed with lots of revenue and other people are not. There are a lot of mysteries to life, however one principle that is as old as the ages, and it's inside these pages.
