By Susan Llewelyn

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. In this Very Short Introduction Susan Llewelyn and Katie Aafjes-van Doorn provide insights into the world of clinical psychologists and their clients or patients, and cover the range of domains of practice, the difficulties tackled, and the approaches and models used. They consider the challenges and controversies facing the profession today, and also how it varies...
